

# WATT'S GOING ON?

An illuminating review from  
Interboro Education Foundation

## WHAT IS INTERBORO EDUCATION FOUNDATION?

IEF is a 501(c)(3) organization, incorporated in September 2019, raising funds and applying for grants to enhance Interboro School District programs and activities not normally funded by the district's operating budget.

IEF and ISD operate independently for the benefit of the district's budding learners.

Welcome to the first edition of  
"Watt's Going On?" - the  
illuminating review that sheds  
light on our mission to foster  
bright futures for students in  
grades Pre-K to 12!

## WHO IS INTERBORO EDUCATION FOUNDATION?

IEF is individuals who share a common interest in uplifting Interboro's students and the teachers who support them.

IEF's board of directors consists of ISD administrative alumni (superintendent, teacher), former students, parents, grandparents, and caring community members.

Look for "Meet an IEF Board Member" in future editions of *Watt's Going On?*

## WHY IS OUR LOGO A LIGHTBULB?

A lightbulb represents  
**Innovation, Intelligence, Creativity, and  
Problem Solving ...** all characteristics we  
recognize in Interboro's teachers and students!

**Fostering Bright Futures** is our motto.

## SPECIAL THANKS!

## MEET A FEW OF THE MINI GRANT RECIPIENTS

### **Mrs. Steph D'Alonzo & Ms. Lori Lonergan** **Glenolden School Gr. 1-8 PBIS Rewards**

"PBIS emphasizes five interrelated elements: equity, systems, data, practices, and outcomes. It is a proactive approach to student behavior and greatly enhances students' school experience."

### **Ms. Julia Pickett Kindergarten Academy** **Themed Lessons & Sensory Material**

"Having these funds will help enhance the multi-sensory approach to learning that I strongly believe in and allow students to participate and learn in a comfortable, safe, and unique way."

### **Mr. Andrew Herrmann High School** **Podcasting Unit / Portable Podcasting Kit**

"I believe that this portable podcasting kit can be a nice way to give students experiences with new technologies, give teachers another tool for assessment, and potentially allow learners to branch out creatively in the medium of podcasting (which has a wide spectrum of types and sub-genres)."

### **Mr. Dan Friel High School** **Guitar Amps & Music Stands**

"These funds will better allow interested students to pursue bass guitar and allow students to form mini class bands."
